[The story behind the “Mirror Chart.”](#)

## *What is the Mirror Chart?*

The *Mirror Chart* shows the repeating of prophetic history  
as the last-day completion of prophecy,  
—*the seven thunders!*

The seven thunders are seven events, but they are more than  
just real-time events through which the last generation live!

The Spring Feasts were fulfilled by Christ as the Lamb;  
—Passover, Unleavened Bread, First Fruits, and Pentecost.  
God's plan of redemption teaches that the Fall Feasts of  
the 7th month will soon be fulfilled to the last generation;  
—Trumpets, Day of Atonement, and Tabernacles.

The Spring Feasts were fulfilled in the *symbolic 2300 years*;  
the Fall Feasts will be fulfilled at the *end of the 2300 literal days*.  
“... then shall the sanctuary be cleansed.” Dan 8:14; EGW.

### *Type and Antitype!*

The *testimony of Jesus* is the story of redemption  
as foretold by the *Feasts of our Lord*  
which is explained in *Daniel and Revelation*,  
and will be completed in our generation!

~ This chart DOES NOT discuss or project it's beginning or ending dates; ~  
~ neither does it give a date for the coming of Jesus! ~

*Great lessons will yet be learned from the fulfillment of the type,  
—the 2300 YEARS.*

*These lessons will distinctly be re-applied  
to the last great testimony of Jesus given to the world,  
—the spirit of prophecy, —the antitype of 2300 DAYS,  
and will guide the last generation in a knowledge of God's law  
never understood by any previous generation!*

*The book of Daniel has two distinct fulfillments, a type and an antitype,  
which are specifically directed by the hand of the Mighty Angel of Rev 10.*

## Understanding the Mirror Chart

*The two charts on this page are unique charts.* The above chart (The *Mirror Chart*) is actually two charts in one and teaches that there is both a historical fulfillment, —the 2300 years (the upper half of the chart), and a last-day fulfillment of *the seven thunders*, —the 2300 days (the lower half of the chart).

The *Mirror Chart* is a study chart which has Further Study ‘hotspots’ for every element on the chart. Click on any point of interest and it will take you to a page of explanation and study.

**The top-half of the *Mirror Chart*** (above the blue horizontal dotted line - - - -) teaches Daniel 7-12 as the *type* of prophetic history, *fulfilled in symbolic time, —a-day-for-a-year*. (The two proof texts, [Numbers 14:33, 34](#) and [Ezekiel 4:5, 6](#), are the only texts used to show *a-day-for-a-year* principle. (For Further Study, see the hot-linked study found on the *top left* of the chart called, “[Prophetic Time, a-day-for-a-year](#).”) What is amazing is that Gabriel showed Daniel that he was to understand that the *time prophecies* were to be fulfilled in years. (Further Study: “[What did Daniel understand, —Days or Years?](#)”)

**The bottom-half of the *Mirror Chart*** (below the blue horizontal dotted line - - - -) *also reflects* Daniel 7-12, but as the *antitype* fulfillment of the last days, which the Mighty Angel of Revelation 10 explains as the seven thunders. These prophecies will be repeated in greater detail than was fulfilled in history. Says the Mighty Angel, ‘Thou must prophesy again’; [Rev 10:11](#)), not in years —but in literal days, —a-day-for-a-day, just as the time prophecies of Daniel (and Revelation) are written. (Further Study: [The 2300 Literal Days: —Why Exactly 2300 Days?](#))

Yes! Gabriel taught Daniel **both** a *symbolic day, a year* fulfillment and a *literal day* fulfillment. **The symbolic day fulfillment** was shown to Daniel in [chapter 9:24](#), “*seventy weeks of years*” or 490 years (Strong’s #7620), when the Messiah would come to Israel. **The literal day fulfillment** was shown Daniel in [chapter 8:14](#) and [26](#), “*seventy weeks of years*” or 490 years, when the Messiah/High Priest will come to the last-day Israel (Strong’s #H6153+H1242). ([Verse 26](#) better translates these two Hebrew words, “evening and the morning,” which are the exact same words used in [Genesis 1](#) to explain one day, who’s length of 24 hours.) ([Revelation 10:6](#) says; “there should be time no longer.” “Time” describes “prophetic time” or “symbolic time,” which is a-day-for-a-year. Therefore prophetic time would need to end before the repeated literal time prophecies can begin.) (Sadly, it has taken us more than 160 years and four generations to learn this!) (Further Study: [7BC 971.7](#); [WLF 12.8](#); and [Ellen White and Literal Time concerning Last-day Events](#))

The time prophecies should NOT be the CENTER of study. The center of study is Christ. It is Christ who is the Mighty Angel of Revelation 10, and it is He who puts the emphasis on the reading of the seven thundering events from the open little book of Daniel.

## What are the seven thunders?

—Linked studies attached to the *Mirror Chart* and the page it’s on explain in more detail with references the following conclusions:

**There is nothing more important for the last generation than having a working knowledge of the little book of seven thunders in Revelation 10! It embodies the whole plan of salvation and the Revelation of Jesus Christ unseals them.**

**The seven thundering voices** are heard from the [little open book](#) in the hand of the Mighty Angel. ([Rev 10:1-3](#)) It is open because it is a Revelation of Jesus Christ! ([Rev 1:1](#); [5:5, 6](#)) *The Mighty Angel is Jesus*, appearing as the Shekinah with a rainbow covenant ([Rev 10:1](#)) in the Most Holy Place of the Heavenly Sanctuary ([Rev 4](#); [5:1](#)) **ON** the last great **Day of Atonement**! ([Lev 16:2](#); [Dan 7:9-13](#); [Dan 8:14](#)) The open book in His hand is the prophetic book of Daniel, —**unsealed**. ([Dan 9:24](#); [12:9, 13](#); [8:17](#)) **Revelation unseals Daniel** ([Rev 6:1, 3, 5, etc.](#)) **for the last generation as seven thunders!** ([Rev 10:8-10](#)) The seven thunders are seven of the most important last-day **events**; —yet they are **more than just events** seen by the ‘peoples, and nations, and tongues, and kings’ of the earth. The seven thunders should remind us of the children of Israel at Mt. Sinai, when thunder was heard from God at the giving of His law. ([Ex 20:18](#)) **As** the children of Israel heard the thunder of God’s Law at Mt. Sinai, **so also** will the last generation hear the thunder of God’s Law. The seven thunders will uniquely show the redemptive path provided for the last generation by explaining, step-by-step, the *finishing* “of the mystery of God . . . , as He hath declared to his servants the prophets” ([Rev 10:7](#)) The **first event** signals the building of the Temple\*\* ([Rev 11:1](#); [Dan 9:25](#); [FS 7](#)), and the **last event** of the seven thunders is the **cleansing** of the *Heavenly Sanctuary of forgiven sin*, —“Unto two thousand and three hundred days; *then shall the sanctuary be cleansed.*” ([Dan 8:14](#); [Ex 30:10](#); [Lev 23:27-32](#); [Lev 25:9](#); [WLF 12.8](#)) **YES!** This is one of the *greatest events* in the plan of redemption! The closer the Israelite drew to the *Day of Atonement*, the greater was his *anticipation* for the forgiveness of **ALL his sins for the year**. There may have been many sins atoned for during the year, but only once a year were they done away with, and placed on the head of the symbolic goat, — Satan. We should now have this *anticipation*, for the **Last Great Day of Atonement** is soon to be completed.

—And “then commenced the jubilee. . .” ([EW 286.1](#)) (The prophetic events of the Fall Feasts were **NOT** fulfilled in 1844! They must yet be fulfilled so that the plan of redemption can be **completed** as foretold by the Fall Feast prophecies of Leviticus! [Lev 23:23-44.](#)) (**Further Study:** [FS-5](#) See also [FS-6](#) [Question: Why exactly 2300 days?](#))

Some feel that the last great test will be *exclusively* between the seventh-day Sabbath and Sunday worship; but the prophecies of Daniel and Revelation show that the last great issue will be much larger. ([Rev 12:1](#)) We have yet to understand the full picture of the last great test and all that the testimony of Jesus includes and teaches us! ([Lev 23-all](#); [Ps 19:7-10](#))

The *Mirror Chart* is deeply immersed in the events of the Heavenly Sanctuary and the Jewish economy explains these events in more detail than we now understand. The last generation of saints has a special assignment **handed to them** by the Mighty Angel. **YES!** The last generation of saints are handed the unsealed book of seven thunders and commanded to eat it, —making it a part of their daily life. ([Rev 10:8-10](#)) We are to take the little book of last-day prophecies and eat the book. Its study will be sweet as honey; but living through the events will be a bitter experience, yet we shall be victorious! We are to study the prophets for a better understanding of the *sanctuary service* and the *Jewish economy* so that we may take part in ***building the covenant tabernacle*** during the last events of earth’s history and stand victorious in Christ at His second coming! \*\* The building of the Temple is **NOT** the building of a temple in Jerusalem, commonly called *the building of the third temple*, which most professed Christians believe and support today. ([back to \\*\\*](#))

*"I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reproved. And the Lord answered me, and said, **Write the vision, and make it plain upon tables, that he may run that readeth it.** For the vision is yet for **an appointed time** (H4150), but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. . . the just shall live by his faith."* [Habakkuk 2:1-4](#)

# TYPE AND ANTITYPE OF THE 2300 YEARS/DAYS

The above *Type and Antitype Chart* shows two charts; —a larger chart on the left, —and a smaller chart on the right. They are similar, yet they are different! They both are inclusive of the other *prophetic timelines* of Daniel; i.e. the [70 weeks](#) (490 years/days), [time, times, and an half](#) (1260 years/days), [1290 years/days](#), and [1335 years/days](#).)

- The larger chart on the left side represents the **2300 symbolic years** which is the fulfillment of Daniel's *historical type*.

The **Type** on the left *points to and explains* the **Antitype** on the right.

- The smaller chart on the right side represents the **2300 literal days** which is the fulfillment of Daniel's repeated prophecies —seven thundering events —*the last-day antitype*.

Jesus has placed a brilliant plan in the book of Daniel for the salvation of each generation, —and even more so does He *care for* ([Rev 1:11-19](#)) and *provide for* ([Rev 5:5, 6](#)) the last generation ([Matt 24:33, 34](#)). He has placed the prophecies of Daniel to be fulfilled *in history*, starting in B.C. 457 and ending in 1844. (**FS: A Great Prophetic Period**) *The Prophetic History of Daniel* was guided by the [Mighty Angel](#) so that it would be *repeated* for the last generation. In so doing, Jesus gave to the last generation a **TYPE**, which, if diligently studied, would lead them to the book of Revelation, where the Mighty Angel unseals the *little book of seven thunders* as the *repeated ANTITYPE* of Daniel.

The *repeated prophetic history* of Daniel's prophecies will have a dramatic effect upon those who study deep into the last-day prophetic warnings. The [testimony of Jesus](#) will become more clear as we draw closer to their events and the guiding Power of the Mighty Angel will be more blessed and brighter as we approach the last great Day of Atonement. ([Dan 8:14](#); [Lev 23:26-32](#)) . The greater amount of those who profess to be Christians will at that time *not* know which way to turn. ([Hosea 4:6](#)) The last generation of saints will have the sure word of prophecy! [2Peter 1:19-21](#) Every step of the saints during the last events of earth's history will be [measured](#) by the study of His Word.

“But go thou thy way till the end be: for thou shalt rest,  
and stand in thy lot at the end of the days.”

[Dan 12:13](#)

Those who take the book of Daniel from the hand of the Mighty Angel  
and eat it will accept the commission . . . [Rev 10:8-10](#)

Past history	will be	repeated as last-day events
Prophetic time ends	so that	literal time can begin
The Spring Feasts were fulfilled	so that	the Fall Feasts can now be fulfilled
The Judgment of the Dead ends	so that	the Judgment of the Living can begin
The <u>symbolic</u> Day of Atonement	ends when	the Last Great Day of Atonement begins
The testimony of Jesus	is the	spirit of prophecy

## “Thou must prophesy again. . .”

[Rev 10:11](#)

The *Type and Antitype Chart* shows the plan of salvation, from beginning to end, as revealed in Daniel's prophecies. It teaches how Christ, the Angel of this prophecy ([Dan 12:7](#); [Rev 10:1](#)), **completes** the prophetic plan of salvation for the redeemed of all previous generations, including the last generation, by the **act of cleansing the heavenly sanctuary** from the sins of the repentant saints, —which is soon to be fulfilled! ([Dan 8:14](#); [Lev 23:26-32](#))

A very important point to understand is that between the two fulfillments of the prophecies of Daniel, between the *historical* and the *seven thunders*, **is an unknown amount of time**, during which the **YEARS END** and the **DAYS BEGIN**.

These two charts **do not** represent a ‘**dual application**,’ in the sense that the interpretation of each prophetic application can be different. ***We are to witness the repeating of the prophecies of Daniel in the most accurate and complete fulfillment.*** [ES 8](#); see also [Prophetic Terms Used in this Book](#).

## ***Prejudice Blinds the Mind!***

The generations previous to 1844  
found it hard to understand the **2300 years**  
because the time was written in **days!**

The generations since 1844  
find it hard to understand the **2300 days**  
because we believe the time to be fulfilled in **years!**

## ***Prejudice Blinds the Mind!***
